Road to Recovery _____ POST-OBSERVATION STAYS

You know the scenario: the patient's observation stay in the hospital is coming to an end, but the individual simply isn't ready to return home. Now, in addition to post-acute and rehabilitative care, Vista Grande Villa offers post-observation stays at just \$199 per day. The new program is designed to help patients bridge the gap, so they are comfortably on the road to recovery before heading home.

BASIC DETAILS

- Open to individuals for 3- to 14-day inpatient stays at a cost of \$199/day*
- Meals and laundry included
- Post-observation stay resident is responsible for medications
- Hospital status should be coded as "Observation Stay"
- Upfront deposit required for a minimum 3-day stay
- On day 15, standard room rate applies and pre-payment is required

To discuss or schedule a post-observation stay, call 517-787-0222.

SUPPORTIVE SERVICES

- 24/7 skilled nursing care
- Life enrichment program of activities
- Physical, occupational, and speech therapy available (billable to Medicare Part B)

OVERALL BENEFITS

- Provides more time to relax and recuperate in an environment that feels secure
- Overall health is assessed, including nutrition issues and medication management
- Nursing staff provides clinical oversight around the clock
- Individuals feel safer, stronger, and more independent upon their return home

**Although Medicare will not pay for a post-hospital observation stay in a skilled nursing facility, many managed care insurance companies will cover an admission to a skilled nursing facility after a patient has been discharged from "observation status" at the hospital. We would be happy to discuss payment options with you or your patients. The daily fee does not include medications or therapy. Medications billable under Medicare Part D and must be in the original labeled container upon admission. Therapy billable under Medicare Part B.*
