

VISTA GRANDE VILLA  
HEALTH & REHAB

# Road to \_\_\_\_\_ **RECOVERY**

## WHAT HAPPENS FROM THE HOSPITAL TO VISTA GRANDE VILLA HEALTH & REHAB?

- Before you leave the hospital, your Case Manager/Social Worker will send a referral to Vista Grande Villa Health & Rehab. The referral authorizes our Marketing & Community Outreach Manager to verify your insurance and obtain financial approval for your stay here.
- At the same time, our Marketing & Community Outreach Manager will complete an assessment of your particular health circumstances, and then review the notes and guidelines of your physician with our Director of Nursing to ensure we are able and prepared to meet your medical and physical needs.
- Upon admissions approval, the hospital Case Manager/Social Worker and our Marketing & Community Outreach Manager will set a discharge date from the hospital and begin plans for your transition.
- When you arrive at Vista Grande Villa Health & Rehab, you will meet your nurse and other support staff members, who will get to know you, perform an assessment, and introduce you to the outstanding services and amenities at the center.
- You will then be welcomed by a member of our team, who will conduct an evaluation of your strength and abilities so that your customized Road to Recovery therapy program can begin as quickly as possible.
- At the same time, the Vista Grande Villa Health & Rehab physician will be notified and all necessary treatments and orders will be verified. You will be visited by the physician within 48 hours during the week or 72 hours when admitted on Friday or the weekend. He/she will follow the medical progress of your therapy.
- After you are settled in, our Admissions Specialist will visit you to complete the admissions packet including consent of treatment, code-status preference, assignment of benefits, resident agreement, and other pertinent documentation. Please be sure to have your insurance cards available, as well as any Advanced Directive or Power of Attorney (POA) paperwork. Note: You or your healthcare representative/POA have the option of completing your admissions packet prior to your admission to Vista Grande Villa Health & Rehab.

**CONTACT THE ADMISSIONS SPECIALIST AT (517) 787-0222 FOR DETAILS.**

*You are an important guest of the Vista Grande Villa Health & Rehab family, so make yourself at home!*
